NOTES: 1. Some batteries may have to be specially ordered. 2. ALL the above data was copied from the Kirkland Battery Catalog at Costco. 3. "Reserve Capacity" is apparently the new parameter which replaces the standard "Ampere Hours" designation, used since the beginning of time. 4. BCI = Battery Council International									
* Kirkland Signature Marine (green) ** Optima Marine (green) *** Optima Automotive									
Yellow = In stock at Santa Cruz, CA Costco store, on Feb. 12, 2011
