

**Technical Service
Information Bulletin**

August 8, 2006

Title:

**REMOVAL OF FRONT WHEEL OPENING
EXTENSION PAD COVERS**

Models:

'07 GS 350 & GS 430

PRE-DELIVERY SERVICE
PD043-06

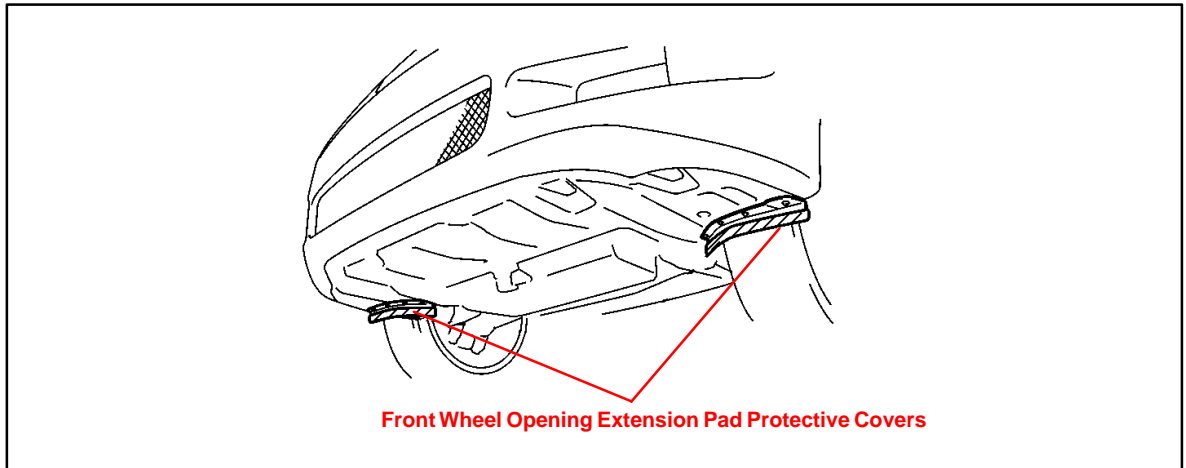

Introduction The purpose of this bulletin is to advise dealers to remove the front wheel opening extension pad covers during Pre-Delivery Service of 2007 model year GS 350 and GS 450 vehicles.

Protective covers are installed on the front wheel opening extension pads to prevent damage during transit.

- Applicable Vehicles**
- 2007 model year **GS 350** and **GS 430** vehicles.

Removal Procedure Remove the protective covers from the front wheel opening extension pads.

NOTE:
Remove the covers completely. Do NOT leave any tape residue.
