

Safety Recall ELF (E2F) – **Preliminary Notice**
2007 through 2010 Model Year LS Vehicles
2006 through 2011 Model Year GS and IS Vehicles
2010 Model Year IS C Vehicles
2008 through 2010 Model Year IS F Vehicles
Potential Fuel Pressure Sensor Leak

Q1: What is the condition?

A1: In the subject vehicles, the sealing property of the gasket seated in between the pressure sensor and the fuel delivery pipe could become degraded. During vehicle operation, fuel could leak past the gasket. In the presence of an ignition source, this could increase the risk of a vehicle fire.

Q1a: What is the cause of the condition?

A1a: The fuel delivery pipes could have been produced with particles of excess plating material on the gasket seating surface where the fuel pressure sensor is installed. These particles may degrade the sealing effectiveness of the gasket.

Q2: What is Lexus going to do?

A2: ***Lexus is currently preparing the remedy for this condition.*** Once preparations are complete, Lexus will send an owner notification letter by first class mail to owners of vehicles covered by this Safety Recall.

The remedy, when available, will involve repairing the fuel pressure sensor sealing surface and replacing the gasket at **No Charge** to you.

Q3: Are there any warnings or indicators before this condition occurs?

A3: There are no advanced warnings prior to the existence of this condition. However, if the condition is present, occupants may notice a persistent fuel odor while driving or immediately after operating the vehicle.

Q3a: What if I experience the condition before the remedy is available?

A3a: If you experience the condition described above, please contact your local authorized Lexus dealer for diagnosis and repair. If the condition is related to this Safety Recall, the repair, when available, will be performed at **No Charge** to you.

In the interim, if your vehicle is covered by this safety recall, the dealership will provide you with a complimentary loaner vehicle until the remedy is performed.

Q3b: Can my vehicle be driven if this condition occurs?

A3b: No. If you notice a persistent fuel odor while driving or immediately after operating the vehicle, please stop your vehicle in a safe manner, turn the ignition off, and contact your local authorized Lexus dealer for immediate diagnosis and repair or Lexus Roadside Assistance.

Q4: Which and how many vehicles are covered by this Safety Recall?

A4: There are approximately 423,000 vehicles covered by this Safety Recall in the US.

NOTE: There are only eight 2011 Model Year vehicles covered by this Safety Recall.

Model	Model Year	Production Period	Approx. UIO
LS 460 / 600h	2007 through 2010	May 2006 through July 2010	84,000
GS 300 / 350 GS 460 / 450h	2006 through 2011	January 2005 through September 2010	104,000
IS 250 / 350	2006 through 2011	August 2005 through September 2010	218,000
IS 250C / 350C	2010	April 2009 through June 2010	13,000
IS F	2008 through 2010	December 2007 through July 2010	3,700

Q4a: Are there any other Toyota, Lexus or Scion vehicles covered by this Safety Recall in the U.S.?

A4a: No. There are no other Toyota, Lexus, or Scion vehicles involved.

Q5: When does Lexus anticipate the remedy will be available?

A5: Lexus is currently working on obtaining the remedy parts for this Safety Recall. Lexus will provide additional information as it becomes available.

Q6: How does Lexus obtain my mailing information?

A6: Lexus uses an industry provider who works with each state's Department of Motor Vehicles (DMV) to receive registration or title information, based upon the DMV records. Please make sure your registration or title information is correct.

Q7: When the remedy becomes available, do I need my owner letter to have the remedy performed?

A7: You do not need an owner letter to have this recall completed; however, to assist the dealer in confirming vehicle eligibility, we request that you present this notice at the time of your service appointment.

Q8: What if I have additional questions or concerns?

A8: If you have additional questions or concerns, please contact the Lexus Customer Assistance Center at 1-800-255-3987 Monday through Friday, 5:00 am to 6:00 pm, or Saturday 7:00 am through 4:00 pm Pacific Time.
