**SSC 6LE – CERTAIN 2006 GS 300 AND GS 430 VEHICLES
ELECTRIC POWER STEERING (EPS) REPLACEMENT**

Dear Lexus Owner:

Lexus is dedicated to the "Passionate Pursuit of Perfection."

Thank you very much for your patronage of Lexus. We are dedicated to providing vehicles of outstanding quality and value. As part of our continuing efforts to provide superior customer satisfaction, Lexus is announcing a Special Service Campaign Program on certain 2006 model year GS 300 and GS 430 vehicles.

What is the condition?

On certain 2006 Model Year Lexus GS 300 and GS 430 vehicles, you may experience a noticeable gradual increase in the steering effort necessary at low speeds when turning the steering wheel to the complete left or right position. This condition may be most perceptible when parking your vehicle.

What is the cause of the condition?

This condition is caused by an insufficient adhesion between the permanent magnets and the rotor of the Electric Power Steering (EPS), causing the motor to gradually lose torque when the wheel is turned to the complete left or right position.

What will Lexus do?

Any Lexus dealer will replace the Electric Power Steering (EPS) at **NO CHARGE** to you.

What should you do?

Please contact your authorized Lexus dealer to schedule an appointment to replace the Electric Power Steering (EPS) with an improved one. Based upon your specific vehicle model, the repair may take up to approximately five hours. However, depending upon the dealer's work schedule, it may be necessary to make your vehicle available for a longer period of time.

Please present this notice to the dealer when you bring the vehicle in for your service appointment.

If you no longer own the vehicle, please indicate so on the enclosed postage-paid form, providing us with the name and address of the new owner if possible.

What if you have other questions?

Please contact any Lexus dealer or call the Lexus Customer Assistance Center at 1-800-255-3987 Monday through Friday, 5:00 am to 9:30 pm, Saturday and Sunday 7:00 am through 3:00 pm Pacific Standard Time.

We have sent this notice in the interest of your continued satisfaction with our products, and we sincerely regret any inconveniences this condition may have caused you.

Thank you for driving a Lexus.

Sincerely,

LEXUS DIVISION
