Imagine yourself behind the wheel of an all-new 2014 Lexus IS or IS F SPORT. Now imagine yourself on a closed course competing against other drivers. This is not your average Ride and Drive. This is what we mean by amazing.

While you are there, check out the LFA supercar and other Lexus F SPORT vehicles.

This complimentary event is also a great opportunity to compare the 2014 IS against the Audi A4, BMW 3 Series and Mercedes-Benz C-Class.

As a thank you for joining us, you'll receive a **\$1,000 certificate,* good toward the purchase or lease of a new Lexus** and a personal video of your driving experience.
