DISCLAIMERS 1. 20- or 21-in performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 15,000 miles depending upon driving conditions. 2. Availability and accuracy of the information provided by the Navigation System is dependent upon many factors. Use common sense when relying on information provided. Services not available in every city or roadway. Navigation updates are available at an additional tional cost from your local Lexus dealer. See Navigation Owner's Manual for more details 3. Mark Levinson® is a registered trademark of Harman International Industries, Inc. 4. Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. 5. The Lexus Safety System + Pre-Collision System is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. See Owner's Manual for details. 6. The Pedestrian Detection System is designed to detect a pedestrian ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrians, driver input and weather, light and road conditions. See Owner's Manual for details.
