

Please contact your local paint representative for the actual paint mixing formulas or for additional assistance in color matching. Please provide a copy of this information to your Lexus Collision Repair Center.

NOTE: The body color code is indicated on the Certification Label which is located in the driver's door area as shown below.

The following is a listing of all 1998 & 1999 Lexus paint codes and corresponding refinish formula codes for 8 (eight) refinish paint companies — BASF, DuPont, ICI, PPG, Sherwin Williams, Sikken's, Spies Hecker and Standox (Paint and refinish formula codes start on page 2).
