

Lexus Personalized Settings

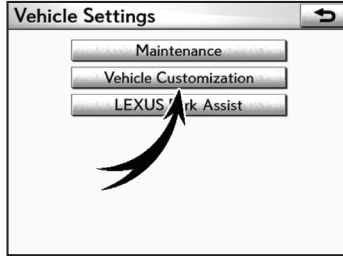

Your vehicle includes a variety of electronic features that can be programmed to your preferences. Programming of these features is performed once at no charge by your Lexus Dealer provided you obtain the service at the 6 month/5,000-mile scheduled maintenance service.

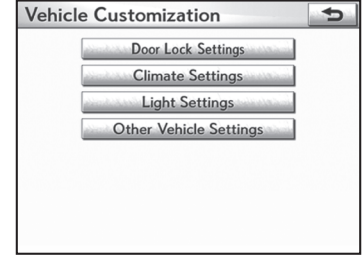

It is also possible to customize certain vehicle features yourself using the navigation system.

STEP 1 Press the **SETUP** panel button followed by 

STEP 2 Touch **Vehicle Customization**.

STEP 3 Touch the desired category. Scroll to specific customization setting.

Vehicle must be in "ON" mode to program personalized settings.

After changing the settings, touch .

Settings that can be customized by:
