

## 30 Days or 1,000 Miles

### Complimentary First Scheduled Maintenance Service

- Inspect body/chassis
- Check for fluid leaks
- Inspect wiper blades
- Check installation of driver's floor mat
- Road-test vehicle
- Program Lexus Personalized Settings, if requested

## What are Lexus Personalized Settings?

Your vehicle includes a variety of electronic features that can be programmed to your preferences. For example, doors can be programmed to remain locked when you shift into "Park." (For more information, see the "Customizable Features" section of the Specifications chapter in your *Owner's Manual*.) Programming of these features is performed once at no charge, provided you obtain the service at the 30-day/1,000-mile scheduled maintenance service. Programming of some Lexus Personalized Settings requires special equipment and may be performed only by an authorized Lexus dealership.
